300NK STRESS-FREE

Inheriting the NK family genes, it's sporty, maneuverable and easy to handle. What you get is a bike that's easy to put your feet down at a stoplight and a blast to ride the moment it turns green, all at a price that you will approve.

1 TIRES

Customized radial tires (Front: 110/70 R17, Rear: 140/60 R17) features high performance grip. Get ready for the fast and sharp control in every bend.

2 HANDGRIP BUTTON

Compact and fit-to-hand button design is a great benefit to your safe ride. With thoughtful backlight design, it can provide better visibility at night.

4 LIGHTWEIGHT DESIGN

The frame utilizes ultra-light, high strength alloy steel material to provide great torsion resistance.

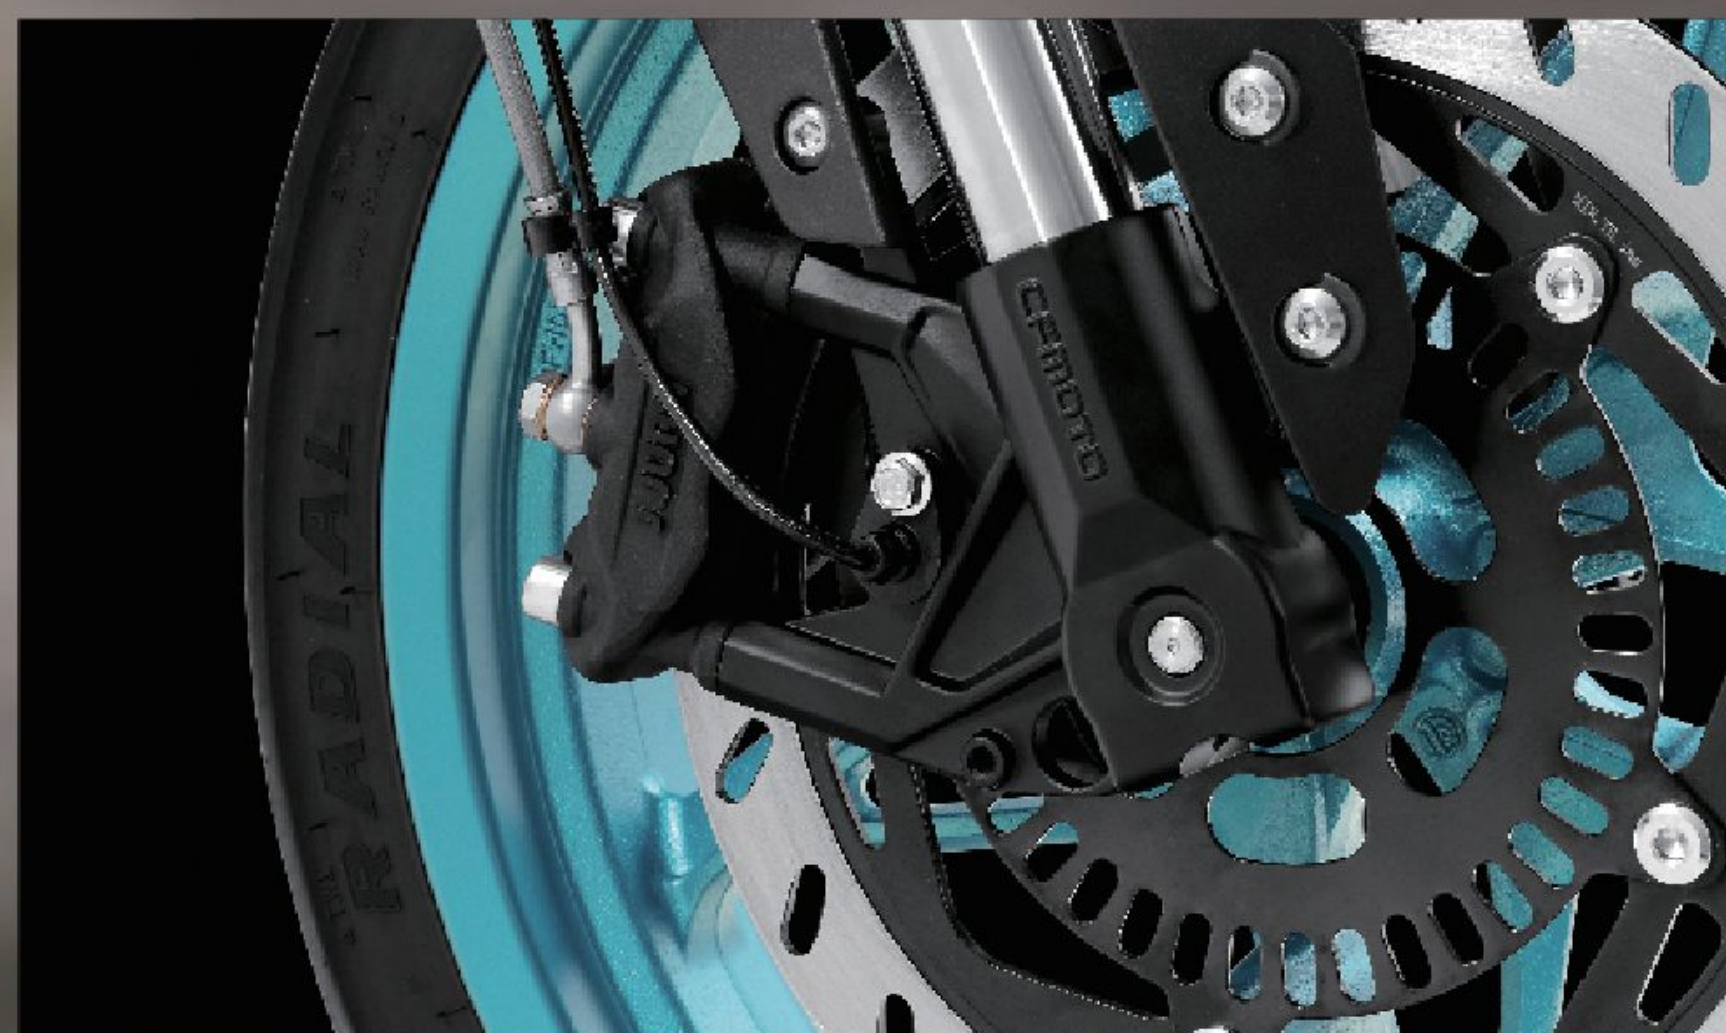

6 ALL-COLOR TFT DISPLAY

Rain mode and Sport mode can be effectively switched over automatically according to the changes of light intensity.

Start your street riding passion here. Ride stress-free and relaxed through the streets with the 300NK and chase the rhythm of your heart!

3 EFI

The latest Bosch EFI system atomizes the fuel through a small nozzle under high pressure, ensuring better engine fuel efficiency and lower emissions.

5 BRAKE SYSTEM

Industry-leading ABS system serves as a good support during hard braking to prevent wheel locking or sideslipping.

7 LED LIGHTS

The tail lights, turning lights and parking lights feature clearer indicating effects.

OUTSTANDING DESIGN DNA

The exquisitely-engineered sporty 300NK inherits the outstanding design DNA of CFMOTO naked bike family.
