TURBO POWER*

ZFORCE

POWER

Exhilarating Turbo Power

- 154 HP turbocharged engine built for ultimate experience
- Enhanced CVT air intake system ensures durability for long time use
- Three ride modes — Comfort, Trail, and Sport — adapt instantly to different terrains and driving styles
- Central-positioned air intake improves airflow and cooling efficiency

CREATIVITY

A fusion of visions and bold creativity

- New-DNA Design Front Grill and Singal Lights
- Aluminum fuel tank cap and winch guards enhance durability and premium feel

CONTROL

Ultimate Control Perfomance

- 2.5" FOX®Q5E shocks with Soft, Medium, and Firm compression settings, adjustable instantly via buttons or the MMI touchscreen.
- Electronic Power Steering with four selectable assist modes for precise control
- Multifunction steering wheel with integrated start button keeps key functions at fingertips

COMFORT

User-Centric Comfort for Supreme Rides

- 12.3" touchscreen MMI with CarPlay integration
- Rear-view camera enhances confidence during maneuvering
- Ergonomic seating designed for long, aggressive rides
